CES® 2020 DELEGATION PROGRAM

Immerse yourself in innovation and opportunity as technology, entertainment and business intertwine at CES. Create new connections, strategize the growth of your business and see genius technology that's not only faster and better, but also benefiting global consumers.

Work with a curated Delegation to maximize the value of your trip; gain exclusive access to experts and networking opportunities designed to help you navigate **4,500+** exhibiting companies from **160+** countries, regions and territories. Plan for a successful show hassle-free, with registration assistance, discounted conference passes, trade counseling and more.

CES Delegation Program benefits for international visitors include:

- **Complimentary CES 2020 attendee registration** (allows access to exhibit show floor, keynote addresses, SuperSessions and select conference sessions).
- **25% discount** off the purchase of a Conference Pass (starter or deluxe pass).
- **10% discount** off exclusive StoryTech VIP Impact Tour, including pre-tour briefing, refreshments, floor tour with one of our industry experts, plus a trends white paper.
- **Invitation to the International Matchmaking Reception** held on the opening day of CES.
- **Access to International Business Centers** on-site, including Wi-Fi, computer stations, laptop hookups, refreshments, translators and private meeting rooms.

CES is a participant in the U.S. International Trade Administration's Trade Event Partnership Program. Commercial Service trade specialists located in your local U.S. Embassy or U.S. Consulate can offer personalized assistance in planning your trip. Visit **Export.gov/locations** to learn more.
