History of Congressional Travel

Describe your organization's history of sponsoring congressional travel. **CTA's sponsorship of Congressional travel to CES is a longstanding component of its government education and engagement efforts. The program provides Members and Congressional staff with firsthand exposure to emerging technologies and policy issues relevant to their official responsibilities. The proposed CES 2027 participation therefore represents a continuation of an established CTA program with a documented history of educating and engaging Members of Congress and Congressional staff over the years.**

Educational Activities

Describe the educational activities performed by your organization other than sponsoring congressional travel.

The Consumer Technology (CTA) educates Congressional Members, their staff, technology allies, associations, and industry leaders throughout the year with policy briefing, meetings, research reports, and press engagement.

Purpose and Details

Provide a brief description of the trip.

CTA's Leaders in Technology (LIT) Program provides Members of Congress, Staff, committee Staff and State and Local Elected Officials with a substantive educational opportunity to learn firsthand about emerging technologies at CES, engage directly with technology leaders and innovators, and better understand the policy issues shaping innovation. The CES trip includes educational briefings, demonstrations, and discussions focused on technological developments and their implications for public policy, the economy, and American competitiveness.

Explain how the purpose of the trip relates to your organization's mission.

The Leaders in Technology (LIT) Program advances CTA's mission to educate government officials about the importance of American technology leadership and innovation. CES 2027, owned and produced by the Consumer Technology Association (CTA), provides a unique opportunity for federally elected Members of Congress, Congressional staff, and state and local officials to engage directly with technology leaders and experience the latest advances across the technology landscape. Through demonstrations, briefings, and discussions, participants can gain a better understanding of emerging technologies and the policy issues that will shape innovation, economic growth, and American competitiveness.

Is your organization the only sponsor for this trip?

☒ Yes ☐ No

If No, describe your organization's role in planning the trip.

If there are multiple sponsors, each sponsor must submit Organization Information (Page 1 of the Private Sponsor Travel Certification Form) and a Signature Page Form.

If costs exceed the federal per diem, please explain why expenses over the per diem rate are reasonable and necessary.

The daily rate exceeds the suggested per diem due to the location of CES being held in Las Vegas —the only city capable of accommodating the ever-growing number of exhibitors and attendees. As a premier convention destination, Las Vegas continues to experience rising costs consistent with nationwide increases, resulting in higher lodging, meal, and transportation expenses.
